

DVDs IN THE PRE-SCHOOL

Whilst at Woodpeckers, children may occasionally watch short educational DVDs for the following reasons:

- To support a theme, eg Percy the Park-Keeper in the Autumn, and the Snowman story at Christmas Time;
- When staff feel children are showing signs of tiredness, and would benefit from 10 minutes quiet/chill out time;
- If an incident occurred that required a small number of staff to supervise the children whilst the others dealt with an unplanned situation.

Children will not be shown any DVDs which are unsuitable for young children, and they will always have an educational theme.

This policy was adopted on 12th March 2012 and will be reviewed annually.
